

## Know Dementia, Know Alzheimer's- An Awareness Program

World Alzheimer's day is observed on the 21<sup>st</sup> September 2022. Alzheimer's disease is a brain disorder that slowly destroys memory and thinking skills and, eventually, the ability to carry out the simplest tasks.

According to *ALZHEIMER'S & RELATED DISORDERS SOCIETY OF INDIA*, 5 out of every 100 elderlies in India have dementia and many more are at high risk of developing this condition.

World Alzheimer's day was observed on September 27, 2022 by the Department of Humanities at M.S Ramaiah College of Arts, Science, and Commerce through a poster presentation event on the topic "Know dementia, Know Alzheimer's." All the charts were hand made by the students of the department and were displayed on level 1. The charts covered topics ranging from introduction, symptoms and causes to the treatment, and prevention and facts about Alzheimer's.
