Department of Chemistry/Biochemistry MSRCASC, Bengaluru - 54

To

The Principal, **MSRCASC** Bengaluru - 54

Respected Madam,

Sub: Requisition for Permission to organize a Career Guidance program on

"Data analysis for science"

With reference to the above subject, the Department of Chemistry and Biochemistry is planning to organize a Career Guidance Program on "Data Analysis for Science" on 8/12/2021 for B. Sc and M. Sc students. We are seeking your kind permission to organize the event.

Event Coordinators:

Dr. Vasantha Kumar Bhaskara 🖇

Assistant Professor

Dept. of Chemistry/Biochemistry

Malini, M.R.

MILLER

Organizing A Career Guidance Program on

"Data Analysis for Science" – Take A Next Step in Your Career
Date: 08-12-2021 at 11.00 am to 12.00 pm

About MSRCASC:

MS Ramaiah College of Arts, Science and Commerce (MSRCASC) has been established in 1994 under the umbrella of Gokula Education Foundation (GEF) trust. MSRCASC is re-accredited with "A" grade by NAAC, permanently affiliated to BCU, recognized by UGC under 2f & 12B of UGC act 1956, ranked 62nd in NIRF and approved by AICTE.

PROGRAM OBJECTIVE:

Department of Chemistry & Biochemistry is conducting a career guidance program for UG & PG students to give introductory idea about booming field of "Data Science" and its opportunities. Objective of this event is mainly to give conceptual understanding about data science, opportunities for UG and PG students and advantage of taking training.

LEARNING OUTCOMES: The participants acquired knowledge about Data Analysis, its importance in research and job opportunities offered by it.

PATRONAGE

Dr. M R Jayaram,
Chairman, GEF
Shri M R Janakiram,
Hon'ble Director, GEF
Shri M R Kodandaram,

DEPARTMENT OF CHEMISTRY AND BIOCHEMISTRY REPORT ON CAREER GUIDANCE PROGRAMME

Date: -8/12/2021

Title:- "Data Analysis for Science - Take A Next Step in Your Career"

Number of participants: -101

Event coordinators: - Dr. Vasantha Kumar Baskara and Mrs. Malini M. R

Learning Objective: - To introduce students to the importance of data analysis in research, enable them to interpret the results of data analysis and enlighten them about the job opportunities of data analysis.

Data analysis is one of the youngest field of science. It provides promising job opportunities for science graduates. It mainly deals with systematic approaches like data collection, analysis, interpretation and presentation methods. Thus, the exposure of students to such fields makes them the forefront runners in the present-day competition. In this regard, the Department of Chemistry and Biochemistry had organized a career guidance programme on "DATA ANALYSIS FOR SCIENCE" in association with Research E-Desk on 8/12/2021.

Principal

M.S. Ramaigh College of Arts, Science & Commerce

MSRIT Post, MSR Nagar

Bangalore 56 0054

The programme was conducted for B. Sc students and 101 participants attended the programme. The programme was organized through the virtual mode.

Dr Vasantha Kumar Baskara, had welcomed the gathering and gave an introduction about the resource person. The resource person for the program was Dr. Ramya Rao, Principal Scientist, Research-e-Desk. She shared her views about Data Analysis and opportunities. its obtaining job importance in research and of collection. data explained Data Analysis process inspecting, transforming, and modelling data points to infer useful information, suggest conclusions and support decision-making.

She told that Data analysis is the most crucial part of any field of research. It involves the interpretation of data gathered, through the use of analytical and logical reasoning to determine patterns, relationships or trends. She emphasized on the different steps which are involved in data analysis and spoke about a lot of real-life examples in the field data analysis. She also explained the opportunities of data analysis in pharmaceutical companies and CROs in India.

The session was very informative. The topics of Data Analysis dealt, were of great benefit for the students and participants were enlightened with the most widely used advanced techniques of data analysis. This in turn will help in motivating students and enable them in obtaining placement opportunity.

There was an interactive Question and Answer session following the presentation, and the programme came to an end with the proposal of Vote of Thanks.

We are grateful to the Principal and the Management for giving us this opportunity.

Learning Outcome:- The participants acquired knowledge about Data Analysis, its importance in research and the job opportunities offered by it.
