TO:

The Principal,
R.C.A.S.C,
Bengaluru.

Respected Madam;

Sub: Requesting for permission and honorarium to conduct career guidance program

It is to bring to your kind notice that Ms. Lakshmi Achuta, who is an ex-employee of the quality control department at Syngene Intl Pvt Ltd., Bengaluru has agreed to interact with our PG students on the topic entitled "Career Guidance Program on Quality, Compliance and Career Opportunities in Biotech, Pharma & Medical Devices".

I request you to please kindly allow us to arrange the lecture in our small auditorium at the basement and also for the honorarium.

Proposed date and time of the event: 03-03-2022 (Thursday) at 11.00 a.m

Sincerely yours,

Vasanth K Bhaskara, Ph.D

Welcome to

Ramaiah College of Arts, Science and Commerce

Department of Chemistry & Biochemistry

Organizing A Career Guidance Program on “Quality, Compliance and Career Opportunities in Biotech, Pharma & Medical Devices”

About MSRCASC:

MS Ramaiah College of Arts, Science and Commerce (MSRCASC) has been established in 1994 under the umbrella of Gokula Education Foundation (GEF) trust. MSRCASC is re-accredited with “A” grade by NAAC, permanently affiliated to BCU, recognized by UGC under 2f & 12B of UGC act 1956, ranked 62nd in NIRF and approved by AICTE.

PROGRAM OBJECTIVE:

Department of Chemistry & Biochemistry is conducting a career guidance program for PG students in the field of quality control in pharma industries. This domain provides ample job opportunities for students in all types of production industries. This program is aimed to provide an overview of the quality processes, documentation, regulations, and job prospects after obtaining PG degree for students.

PATRONAGE

Resource Person:

Ms. Lakshmi Achuta

(Former Employee of Syngene Intl Ltd., Bengaluru)

Strategic Advisor – Biotech, Pharmaceuticals & Medical Devices

Bengaluru.

Program Description:

Program started with welcome address by Dr. Vidya, Assistant Professor of the Department followed by initial remarks about the program by Prof. Nagarathna A, Principal of the RCASC.

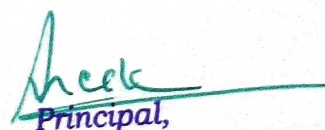

Then the resource person, Ms. Lakshmi Achuta was introduced to the audience by Dr. Vasanth K Bhaskara. Program started with lucid presentation about the importance of quality check for production industries, its market value, stake holders, responsible departments and necessary documentation by the speaker.

Quality control department in biotech pharma is providing consistent opportunities to students and with adequate knowledge and experience, they can get the placements in any multinational companies involved in variety of product manufacturing.

This presentation given detailed idea about the quality control as prospective domain for students to pursue their career, reporting structure in the QCA department and about different processes and documentation procedures.

There were many questions and discussion from participants at the end of the presentation and given enough of the discussion by the speaker.

Finally, there was vote of thanks proposed by Dr. Vidya enlisting all faculty responsible for successful organization of the webinar.
