WEBINAR on Careers in Clinical Research

in Association with

M.S. Ramaiah College of Arts, Science, Commerce

Department of Microbiology

MMS ACADEMY

At MMS Academy, we believe in catering to the next generation of scientists and expanding learning beyond offices or classrooms. That's why we offer relevant courses and hands-on learning through our convenient global online platform. Created by subject matter experts and an award-winning, global CRO, MMS Academy empowers students around the world with the critical in-demand knowledge that they need to succeed in the pharmaceutical industry and beyond.

Special Thanks to Dr. A. Nagarathna, Principal, MSRCASC and

Dr. Pushpa H, HOD, Microbiology, MSRCASC for organising this Webinar

PURPOSE OF THE WEBINAR:

Awareness of career growth opportunities in the pharmaceutical Industry.

What MMS Academy can offer students to reach their goals by enhancing their knowledge and skills in Medical Writing

Date: 06.08.2021

Time: 3:30 pm – 5:00 pm

Speakers of the Webinar:

Nandini Vijaisimha

Head HR & Admin

Susmita Sahu

Senior Manager – I, Medical Writing

Sulakshana Nithyakanth

Academic Relation Specialist

Report on

Careers in Clinical Research

In Association with MMS Academy, Canton, Michigan, USA

Coordinator: Dr. Pushpa.H

Date: 6th August, 2021

Time: 3:30pm to 5:00 pm

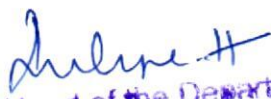

Mode: online Microsoft Teams

Number of Participants: 105

Objective:

- Create awareness in career growth opportunities in the pharmaceutical Industries and to motivate the students in the field of Clinical Research

The department of Microbiology had organized a symposium on "Career opportunities in clinical research" in association with MMS Holding (MMS)- Canton, Michigan, USA on 6th August 2021. The session began with the welcome address by Mrs.Sulakshana Nithyakanth Academic Relation Specialist and gave an overview of MMS Academy. Later Nandini Vijaisimha, Associate Head, Human resources- MMSU she gave an insight on the Clinical research she gave a detailed account on Clinical research she said that the clinical research is an attractive industry for researchers in India, due to the extensive growth of this field and job opportunities not only for trained medical, pharmaceutical and paramedical professionals, but also for project management staff, regulatory authorities, government and the society at large. She also elaborated the different field in with the students can build their carrier in different field such as Contract Research Organizations (CRO), Pharmaceutical Industries,
