About College

Dr. M S Ramaiah, a visionary and philanthropist established "Gokula Education Foundation (GEF)", in the year 1962, to deliver education and healthcare for the betterment of mankind. Under the tutelage of GEF, Ramaiah College of Arts, Science and Commerce (RCASC) was established in 1994. RCASC is Re-accredited with "A" Grade by NAAC, Permanently affiliated to Bengaluru Central University (BCU), and approved by AICTE. It is also recognized under section 2(f) & 12(B) of the UGC Act 1956. It has produced several rank holders and has alumni in distinguished institutions all over the world. The College has a legacy of organizing National Conferences and workshops in various disciplines of Science, Commerce and Management in addition to Quality Initiatives in Higher Education.

The session commenced with the basics of excel about the introduction and the usage of the spreadsheet. Further, it started with the usage of various tools in excel. The session enhanced the skills amongst the students by educating them about the usage of various formulas like Minimum, Average, Sum etc. These are some of the user friendly tools that enables the user to quickly solve various problems just with the click of buttons. Apart from these, the functions of excel like the IF function etc., also plays an important role in completion of various tasks easy and quickly. Detailed explanations about the concept was provided to the students.

Further, they educated the students about the pivot tables/charts. These mechanism helps the user to a large extent in analyzing various aspects. The mathematical and statistical calculations using Advanced excel was explained during the sessions. Knowledge in these areas are very important in todays scenario, for the upliftment of the career. It facilitates in not only in working environment but also for research. Apart from these, the importance and usage of the formula was discussed during the session. This course educated the students about the usage of various tools and applications.

OUTCOME:

The students were able to understand the usage and importance of Advanced excel. The detailed explanation enabled the students familiarize various concepts like the Formulas, Pivot tables, Functions etc. This program also enabled them to quicky find solutions. This program motivated them to understand more about the usage of technology appropriately. It also made an attempt to make the students job ready with preferred skills of the industry.
