Best Practice – 1

Title: Usage of library in effective and efficient way

Objectives:

- To enhance the knowledge of students and teaching fraternity
- To save money of students and teachers as the library resource encourage the students to borrow the books from library
- To extend the support to students and teachers aiding them to update the recent trends in academics by referring many books written by national and international authors
- As library is updated every year with many books written by international authors, stakeholders can refer many books under one roof
- To facilitate the students' learning ability through the utilisation of library resources

Context: Enhancing their knowledge

Every year college management make a budget for the purchase of library books and shell out money for the purchase and benefit the students and faculty.

Practice:

1. The library hour was incorporated in the timetable of every semester to engage the students during the working hours of college
2. Library – working hours was extended, which was made use of by the students
3. Reward was given to the student who spends much time in the library

Evidence of success

1. The number of library users were increased from 200 to 300 students per day after the extended timings of library working hours
2. The number of books circulated were enhanced among students
3. E-books were also utilized by students through online soft copies.

Problems encountered

During the Covid-19 pandemic situation there was no option for students to come to library and utilize the books however the other alternative was to help students by providing e-books

Best Practice 2

Title: Out-reach activities to sensitize students towards social responsibilities

Objectives

- To involve students in various society and community related outreach programs
- To help the students to inculcate the moral values

The context

Outreach programs sensitize students towards their duties and responsibilities within the society and community

The Practice

The college regularly conducts various outreach programs by involving students to serve the local community.

Evidence of success

- It has improved the leadership qualities in students
- It also has enhanced the social networking among students

Problems encountered

Due to Covid pandemic situation it was not possible to easily socialize with the community.
