**Report on**

**National Science Day 2022**

**Organized by**

**Departments of Science**

**In association with**

**Karnataka Science Congress- SWADESHI VIJNANA ANDOLANA - KARNATAKA**

**28<sup>th</sup> February 2022**

**Venue:** Sir M. Visvesvaraya Auditorium

**Date:** 28<sup>th</sup> February 2022

**Time:** 11:00 am

National Science Day is celebrated in India on 28th February each year to commemorate the discovery of the Raman Effect by Indian Physicist Sir Chandrasekhara Venkata Raman popularly known as CV Raman, on 28 February 1928. For his discovery, Sir C.V. Raman was awarded the Nobel Prize in Physics in 1930.

**Objectives:**

National Science Day is being celebrated every year to widely spread a message about the importance of science used in the daily life of the people. To display all the activities, efforts and achievements in the field of science for human welfare. It is celebrated to discuss all the issues and implement new technologies for the development in the field of science. To give an opportunity to the scientific minded citizens in the country.
