

Independence day

2021-2022

On 15th August, our country India became independent from the colonial rule of the Britishers after a long battle of freedom struggle. The story of the freedom movement is already known to every Indian since childhood. From people suffering to breathe free air to fighters sacrificing their life for the country, the freedom movement has been an integral part of every Indian even after the country achieved liberty. Pandit Jawaharlal Nehru became the first Prime Minister of our independent India and hoisted the Indian national flag at the Lahori Gate of the Red Fort in Delhi. The moment was indeed special and his words touched every Indian. He said, "Long years ago, we made a tryst with destiny and now the time comes when we shall redeem our pledge... At the stroke of the midnight hour, when the world sleeps, India will awake to life and freedom." His speech impacted millions of lives and contributed to the unity and power of the country.

75TH INDEPENDENCE DAY CELEBRATIONS 2021, PLATINUM JUBILEE OF OUR NATION'S FREEDOM is celebrated in the Ramaiah College of Arts Science and Commerce with great patriotic fervor. The College celebrated this day along with all the other sister institutions of the Gokula Education Foundation (GEF) (GS) on zoom meeting. The Chief Guest was Sri. M.R. We have one of the best world-class soldier team, we have one of the best cricket legends, growing up in different sports and being a participant of big events like commonwealth, Olympic, and many other sports events. We have reached great strides in not only the various sectors of the economy but also in fields such as sports, entertainment, technology, science etc. This development is part of our tribute to the freedom fighters struggle who gave up their lives to give us this moment of living.
