

Road Map of MSRCASC Combined Institutional Research and Developmental Activities for the Next 1→10 Years

No.	Time-frame	Activity/event	Convening Department	Target	Plan/ Process	Expected Outcome	Approx. Budget
The short term 1→2 years							
S-1	2022	Preparation of syllabus for pre-Ph.D.					
S-2		Guest lectures		5			
S-3	05-2023v	FDP: on Recent advances in Laboratory Techniques		1			
S-4		Three days programs on effective content writing for various occasions		1			
S-5		Visit the regulated market and understating sales and financial management					
S-6		Brain-Storming Session on Pros and Cons of Minimum Support Price (MSP)		1			
S-7		How to prepare a Balance sheet on the cost of cultivation for efficient farming management					
S-8		Application of seed money		8 staff			
S-9	12-2023	Publications: research papers at least 30		8			
Medium-term 3→5 years							
M-1		MSc degree in Food Processing Technology/ Food Technology		1 program			
M-2		FDP: Laboratory safety and hazard disposal		1			
M-3		Submission of Application for Externally funded grants		>3			
M-4		Job-oriented Certificate courses (UG-NEP) and Post-PG programs		2-3			
M-5		Collaborative research projects with industry and Institutional Collaborations		>3			
M-6		National Conference with Proceedings		1			
M-7		MOOC / SWAYAM E-content development		2			
M-8		FDP on e-Commerce		1			
M-9		FDP on Resource Management		1			
M-10		Establish Consultancy and research output		Perpetual			
M-11		Institutional Open-day-for young college aspirants, their parents, and public		Yearly			
M-12		In-house- Journals MSRCASC		3 discipline			
M-13		Internships, higher studies, and Placement		Enhance			
M-14	12-2024	Publications: Research papers at least		20 papers			
Long-term 5→10 years							
L-1		FDP on Advanced Research Methodologies		2			
L-2		Review articles/Books/Book chapters/Popular articles		>20			
L-3		Externally funded projects		>4			
L-4		Collaborative projects with industry and Institutions→MOUs		>5			
L-5		International Conference: on Advances in Life and Social Sciences with Proceedings		1			
L-6		FDP on Digital Technology and its Impact on Social Connectivity		1			
L-7		FDP on Modernization Life Style and its Influence on Human Culture and Tradition		1			
L-8		Establishment of an Entrepreneurial Development Cell		EDC			
L-9		Establishment of an IPR and Patent Assistant Cell		1 perpetual			
L-10		Establishment of a Skill Development Center		1			
L-11		The scale of research and appointment faculty of research focused		-			
L-12	12-2032	Publications: Research papers in high impact Journals		>35
