

## ABOUT US

Founded on the vision of Dr. M.S. Ramaiah, a pioneering philanthropist, Ramaiah College is a cornerstone of the Gokula Education Foundation (GEF), which was established in 1962 to advance education and healthcare. Since 1994, Ramaiah College of Arts, Science, and Commerce (MSRCASC) has embodied his mission, fostering a vibrant community of learning. Now an autonomous institution affiliated with Bengaluru City University and accredited with an "A" grade by NAAC, the college offers a transformative education that prepares students for a dynamic future.

Ranked 87th by the National Institutional Ranking Framework (NIRF) in 2024, the college is recognized as one of Karnataka's premier institutions. It has received prestigious designations such as the DBT-STAR College by India's Ministry of Science and Technology and has established a Research Center for biotechnology innovation. MSRCASC offers a robust array of undergraduate and postgraduate honors programs across the fields of Arts, Science, Commerce, and Management, serving over 2,900 students.

Our legacy lies in academic distinction, evidenced by numerous university ranks and gold medals. Ramaiah College continues to honor Dr. Ramaiah's vision by equipping students with the skills, knowledge, and values to excel and contribute meaningfully to society.

## ABOUT NATIONAL SCIENCE DAY

National Science Day (NSD) is celebrated every year on February 28th. On this day in 1928, Dr. C. V. Raman discovered a phenomenon of scattering of photons later known as the "Raman Effect" after his name. After two years, in 1930, he got the Nobel prize for his remarkable discovery, the first Nobel prize for India in Science. National Science day is celebrated in India yearly to mark the discovery of his famous phenomenon. Govt. of India declared the day as National Science Day in 1986. The fundamental objective of the NSD is to propagate the message of the importance of Science and its application among the people and to promote the spirit of curiosity, creativity and scientific temperament in the young generation of India.

## M S RAMAIAH COLLEGE OF ARTS, SCIENCE AND COMMERCE- AUTONOMOUS

### Department of Sciences

Organizes

GENIUS GALAXY

Celebration  
of

National  
Science  
Day 2025

Theme: "Science  
shaping tomorrow"

Date: February 11th,  
2025

Venue: MSRCASC,  
Bengaluru

## Competitions

Registration is free for students  
Attractive Prizes for Winners

What are we going to do?

A vibrant array of competitions, including debate, quiz, model-making, Painting, and Oratorical competitions, will be organized for school children, fostering curiosity and creativity.

Oratorical competition

Debate

Painting

Quiz

Model Making

### 1 Battle of Ideas

The debate encourages critical thinking and articulation

Rules:

- 3 in a team
- Time duration: 45 min
- Theme: Artificial Intelligence -a boon or bane?

### 2 Curiosity Clash

The quiz tests students' knowledge across diverse topics

Rules:

- 3 in a team
- Theme: General Sciences

### 3 InnoVision

Model-making provides an opportunity for hands-on innovation, allowing students to showcase their practical skills.

Rules:

- 3 in a team
- Model should be displayed during the program.
- Theme: Science Shaping Tomorrow

### 4 Brush & Beyond

Painting unlocks artistic expression.

Rules:

- One participant
- Time duration: 45 min
- Paper and board will be provided by the college, and colour and required materials should be brought by the participants.
- Theme: Science Shaping Tomorrow

### 5 Mind Speak

The Oratorical competition nurtures public speaking and research abilities.

Rules:

- One participant
- Time duration: 10 min
- Theme: Science Shaping Tomorrow

Venue: Dr. A P J Abdul Kalam Auditorium, MSRCASC

Date: 11th February 2025

Time: 10:00am onwards

Location on Map

Enhancing creativity in children will help them develop their autonomy.

## DEPARTMENT OF SCIENCES

### REPORT ON

## GENIUS GALAXY- NATIONAL SCIENCE DAY CELEBRATION

**Title: Genius Galaxy- A National Science Day Celebration-2025**

**Date: 11<sup>th</sup> February 2025**

**Venue: 4<sup>th</sup> Floor, MSRCASC Campus**

**Participants: School Children of VII & VIII Standard across Bangalore**

**No. of Participants: 140**

**Date: 11<sup>th</sup> February, 2025**

**Theme: *Science Shaping Tomorrow***

### **Objectives:**

- Recognize and celebrate students' creativity, intelligence, and hard work.
- Help students gain self-confidence through participation and achievement.
- Motivate students to pursue higher education and careers in the field of sciences.
- Foster curiosity and interest among school children for science and technology
- Encourage students to work together and develop leadership skills.

Genius Galaxy was organized by M.S. Ramaiah College of Arts, Science, and Commerce - Autonomous on February 11, 2025, to commemorate National Science Day.

The event aimed to inspire young minds, encourage scientific thinking, and promote scientific curiosity & curiosity among school students through various competitions and

*Shreem. H*

activities. The celebration saw enthusiastic participation from 7th to 9th standard students from various schools across Bangalore.

The schools participated were Navkis Educational Centre- Gokula, Orchids International School, Vidyashilp Academy, Trio World Academy, Mother Theresa Public School,

Narayana E Techno School, Mathikere, Sri Vidya Mandir, Mathikere, Chrsalis High School,

Arbindo Public School, KV Airforce Yelahanka, Sindhi High School, BBMP Government School, AC School, Sri Ranga Vidya Nikethan High School, NPS Yelahanka.

The program commenced with a formal welcome address by the Principal, who introduced the

event and extended a warm welcome to the participating students and their accompanying faculty members. A group photo session followed, capturing the enthusiasm and excitement of the participants before they proceeded to their respective competition venues.

The event featured a series of competitions, including Debate, Painting, Quiz, Scientific Model Making, and an Oratorical Competition. Each competition was meticulously planned and executed with designated judges and coordinators ensuring smooth conduct. The

students actively participated, showcasing their knowledge, creativity, and presentation skills in alignment with the theme, *Science Shaping Tomorrow*.

In addition to the competitions, all participating students had the opportunity to visit the Biotechnology, Microbiology, Chemistry, Biochemistry, Electronics, and Computer Science laboratories. Volunteers were assigned at

*Shruti H*

each lab to guide and assist the students, providing them with valuable insights into various scientific experiments and technologies.

The best three performers in each competition will be awarded on February 28, 2025, during the final segment of the National Science Day celebrations. The event was successfully executed with meticulous planning and coordination, providing an enriching and memorable experience for all participants.

To ensure a comfortable experience for the participants, snacks and a working lunch were provided. At the conclusion of the event, all participating students were awarded certificates of participation, and a token of appreciation was presented to each participant as a thank-you gesture.

**Awards & Recognition:** Winners and participants were awarded certificates, medals, and trophies to acknowledge their efforts and achievements on 28<sup>th</sup> February 2025. The college faculty and distinguished guests encouraged students to continue their pursuit of knowledge and innovation.

**Conclusion:** Genius Galaxy 2025 successfully ignited a passion for science among young learners. The event not only celebrated scientific advancements but also nurtured the next generation of innovators and critical thinkers. The overwhelming response ensures that such initiatives will continue to be a part of the college's annual activities in the future.
