Report on Internal Smart India Hackathon-2024**Event Details:**

- Date: 13/09/2024
- Time: 2.00 pm to 3.00 pm
- Venue: MSRCASC Campus
- Participants: Students from various departments participated in the internal hackathon.

Event Overview

The Internal Hackathon at MS Ramaiah College of Arts, Science, and Commerce (MSRCASC) was organized to nominate teams for Smart India Hackathon (SIH) idea submission and registration. It gave students a chance to share their ideas, use their technical skills, and work on solving real problems using technology. The event encouraged creativity and teamwork among students from various departments.

Objectives of the event:

- To encourage innovation and out-of-the-box thinking among participants.
- To promote teamwork and collaboration in addressing technical challenges.
- To identify and select teams that will represent our college in the Smart India Hackathon.
- To prepare students for the SIH by simulating a real-world problem-solving environment.

Event flow:

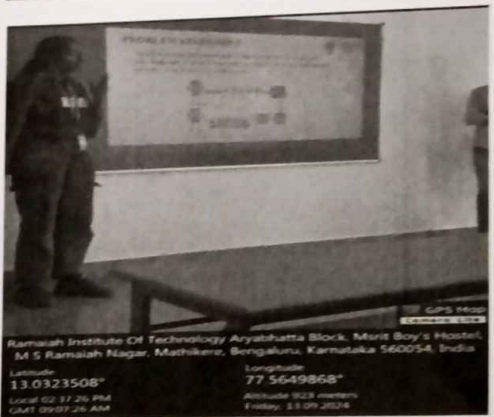

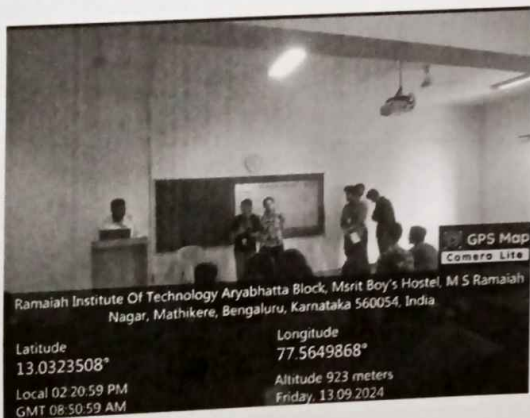

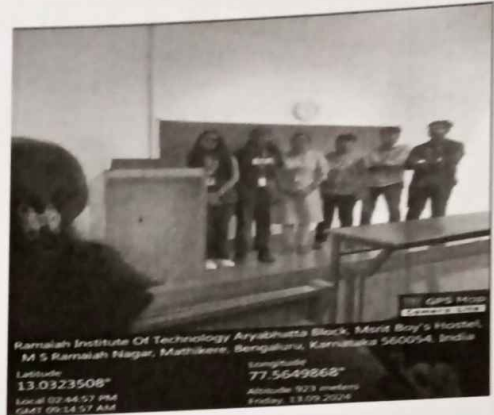

- Problem statements were given to the participants from various domains, including topics like AI, Healthcare, Smart automation, Smart solutions etc.
- Teams were guided by faculty co-ordinators throughout the event.
- Students were grouped into teams of 6 members each to work on the problem statements provided.
- Judges evaluated the ideas based on technical skills, creativity, practicality, feasibility, and presentation.
- The top teams were rewarded and were chosen to represent MSRCASC in SIH-2024.

Outcome of the event:

- To inspire innovation among young minds
- To promote cooperation and alliance in addressing technical challenges.
- To prepare students for the Smart India Hackathon 2024 by simulating a real-world problem-solving environment.

Conclusion:

The event showcased the creativity and talent of students. It helped them gain experience in solving real-world problems and fostered a spirit of teamwork and innovation. The teams selected are better equipped to compete in SIH-2024.
