Report on Club Activity

Event Details:

- Date: 27/03/2025
- Venue: Room No 304
- Participants: B.Sc. [EMCs] students of MSRCASC

Objectives:

To encourage students to explore and present mathematical concepts creatively through PowerPoint presentations, fostering deeper understanding, communication skills, and a collaborative approach to learning mathematics in an engaging and visually effective manner. To bring the young mind to think about scientific model working.

Overview of Program

The Department of EMCs , Ms Ramaiah college of arts ,science and commerce organized an Club activity under the club "Mathemagic" to strengthen the young minds to use words named as "Speak Up", a PPT presentation competition on 27/03/2025. The activity was designed to address academic challenges in Mathematics. The objective was to improve academic performance and motivate students to excel in Communication.

As judges Mrs.Suma C and Mrs.Haripriya G S, From the department of Computer Science, Msrscase .Each individual prepared a presentation of 5-7 minutes, using slides to explain their chosen mathematical topic in a clear and engaging manner. Topics covered included:

- Limits and continuity
- Mathematics in Computer Graphics
- The Role of π in Signal Processing
- Creating Art with Math
- The Basic of trigonometry
- Applications of Mathematics in Real Life: Space Exploration and Sunita Williams
- The Mathematics of Machine Learning
- Application Of Mathematics
- Exploring mathematics

And many more

The presentations were showcased with the use of animations, diagrams, and real-life examples made the presentations vibrant and easy to understand. Students demonstrated excellent research skills and confidence. Teachers appreciated the effort and encouraged the continuation of such interactive learning methods.

Winners of the "speak up" competition

- **First Place:** Ritik Prasad (IV sem B.Sc.(MCs)) – Topic: The Mathematics of Machine Learning
- **Second Place:** Cyril Warren Nicholas (II Sem B.Sc. (MCs))– Topic: Creating Art with Math
- **Third Place:** Akshara (VI sem B.Sc.(MCs))– Topic: Applications of Mathematics in Real Life: Space Exploration and Sunita Williams
- **Consolation Prize:** Seerisha (IV sem B.Sc.(ECs))- Topic :Butterfly Effects

Conclusion:

The activity was a great success, providing students with a platform to blend technology and mathematics creatively. It promoted peer learning, improved presentation skills, and built enthusiasm for the subject beyond the classroom. The Mathematics Club plans to organize more such engaging events in the future.

Participants list for Club Activity

Sl.No.	Student Name	Class	Topic	Signature
1	Nanditha P S	BSC MCS 2ND YEAR	Mathematics in Computer Graphics	Nanditha P.S.
2	M Sireesha	Ecs	Butterfly effect	Sireesha
3	Chaithanya G	EMC's 2nd Sem	PYTHAGORAS THEOREM	Chaithanya
4	Vaishnavi k	Bsc EMCs 2nd sem	Understanding pi and its importance!!	Vaishnavi
5	Chiranthana S	BSC EMCs (first year)	The basic of trigonometry	Chiranthana
6	Akshara.S	Bsc (mcs), 3rd year	Applications of Mathematics in Real Life: Space Exploration and Sunita Williams	Akshara
7	Sai keerthana	6th sem - MCs	The role of pi in signal processing	Saikeerthana
8	Aswathi P V	BSC EMCS , 2nd sem	Life history and contribution of Indian Mathematician Sir Ramanujan	Aswathi
9	Ritik Prasad	Bsc mcs 4th sem	Mathematics in machine learning	Ritik Prasad.
10	Tharun	4th sem	How youtube use maths for recommendation	Tharun K.
11	Cyril Warren Nicholas	2nd sem b.sec emcs	Creating are with math	Cyril
12	lokendra Rar	B.Sc[EMCs][2nd Sem]	LIMITS AND CONTINUITY	Lokendra
13	R Venkateshwar Rao	BSc MCs 4th sem	Mathematics in computer science	R.V.R.
