## **Department of Chemistry and Biochemistry**

Department of Chemistry and Biochemistry is organizing guest lecture on topic "Bridging the Gap between Academia and Industry" for all V sem BSc and III sem MSc Chemistry and Biochemistry students on 25/09/25, by Shruthi K Murthy Head partnership clini launch &WILA. Followed by a industrial visit to Clini launch & WILA on 26/09/25.

Attendance is Mandatory for all students

Time: 19:00 PM to 1:00 PM

Venu: Kuvempu Seminar Hall

Coordinators: 1) Dr. Shashidhar Bharadwaj S.

2) Mrs Ramya Kumari B S

### **Department of Chemistry and Biochemistry Report on Guest Lecture and Industrial Visit**

The Department of Chemistry and Biochemistry organized a **guest lecture and industrial visit** for the **V Semester B.Sc.** students as part of its academic enrichment activities.

Guest Lecture: "Bridging the Gap between Academia and Industry"

Date: 25th September 2025 Time: 12:00PM to 01:30PM

Venue: Seminar Hall, Department of Chemistry and Biochemistry

Speaker: Ms. Shruthi K Murthy, Head of Partnership, Clini Launch & WILA

The session commenced with a formal welcome and introduction of the guest by the Head of the Department. Ms. Shruthi K Murthy delivered an insightful and inspiring lecture on the topic "Bridging the Gap between Academia and Industry".

The primary objectives of the lecture were to:

- 1. **Highlight the differences and connections** between academic research and industrial practices.
- 2. Prepare students and researchers for career transitions from academia to industry.
- 3. **Provide insights into industry expectations**, skill requirements, and real-world applications of academic knowledge.
- 4. **Encourage collaboration** between academic institutions and industry partners for mutual growth and innovation.
- 5. Inspire students to explore diverse career paths beyond traditional academic roles.

The speaker emphasized the importance of aligning academic learning with industry expectations. She discussed key skills sought by the pharmaceutical and biotech industries, including technical competence, problem-solving ability, adaptability, and communication skills. Real-world examples were provided to illustrate how students can make themselves industry-ready during their academic tenure.

The interactive session allowed students to ask questions about career opportunities, internships, and collaborative research. The lecture concluded with a vote of thanks and a memento presented to the guest.

#### Industrial Visit to Clini Launch & WILA

Date: 26th September 2025

Location: Clini Launch & WILA, Bengaluru

As a follow-up to the lecture, an industrial visit was arranged to Clini Launch & WILA to give students firsthand exposure to industry practices. The visit aimed to help students correlate theoretical knowledge with practical applications.

Students were taken through various departments including:

- Research & Development
- Quality Control and Assurance
- Formulation and Production Units
- Regulatory Affairs

Experts from the company explained the workflow, safety protocols, and regulatory requirements followed in a pharmaceutical/biotech environment. The students gained valuable insights into the product development cycle, from conceptualization to market launch.

The visit provided an excellent platform for students to interact with professionals and understand the expectations and work culture in the industry.

#### Conclusion

The guest lecture and industrial visit were highly beneficial for the students. They not only enhanced academic learning but also motivated students to prepare for careers in the chemistry and biochemistry industries. The department extends sincere thanks to Ms. Shruthi K Murthy and the team at Clini Launch & WILA for their time, support, and hospitality.
