Commerce – Autonomous, Bangalore-560054rnataka**

HOD's Message

I am very happy that our Business Administration is bringing 14th issue of 'Nirvana' as a forerunner of department activities. It is a technical platform to bring out the hidden talents of students and faculty. The major strength of the department is a team of well qualified and dedicated faculties who are continuously supporting the students for their academic excellence. Now we are almost at the end of the academic year. University exams are going to start from July/August onwards. It is the time for us to work hard for getting good results in exams. Let us work together for the achievement of higher goals. I take this opportunity to congratulate editors for their great effort to make this news letter a reality and huge success. Also, I invite the readers of 'Nirvana' for their contribution and suggestions for the for the coming issues.

**Dr. M. Lakshmipathi Naidu, HoD,
Associate Professor and Deputy
Controller of Examinations**

Editor's Message

It gives me pleasure to bring out this edition of the BBA Department Newsletter "NIRVANA (Stage of Enlightenment):2024-25".

It throws light on various activities & celebrations. The Newsletter also demonstrates the writing & creative abilities of the teaching staff & students, which we hope the readers will enjoy.

I am extremely thankful to the Management, Superiors, Staff & most importantly the students of the College.

**Ms. Harshitha M
Assistant Professor**

Management is required in all types of organizations. The basic principles of management are universal and can be applied anywhere and, in every field, such as business, social, religious, cultural, sports, administration, educational, policies or military. Management is both an Art and Science.

Creating and perpetuating successful business has always been a challenge.

The department of Business Administration prepares the individuals to plan, organise, direct and control the functions and processes of a firm or organisation. Includes instructions in management theory, human resources management and behaviour, accounting and other quantitative methods, purchasing and logistics, organisation and production, marketing and business decision-making.

Course Offered: BBA – Bachelor of Business Administration

Minimum Qualification: Pass in 10+2 or equivalent in any discipline.

About the Course:

- BBA Degree is a 4 years' Honor's program that prepares graduates to take up a career in management.
- The objective is to familiarize students with a range of skills and techniques required to emerge as future business leaders.
- On completion, students are familiar with a range of skills needed to undertake management function with relevant techniques to emerge effective managers.
- The business managers of today have the task of coordinating and integrating the activities of people, which calls for effective communications to ensure the final objective of achieving business goals.
- The course intends to develop well-rounded individuals who can emerge not just as managers but effective leaders as well.
- The curriculum offers a blend of the latest in domain specific theories, thoughts and concerns in business along with an opportunity to acquire hands-on-practice of real-life corporate functioning during On-the-Job Training in industry.

The students are appraised based on their involvement and participation in tutorials, lecture classes and practical studies. They are also assessed by the project work and seminars apart from the examinations conducted by the Institution and the University.
