Coordinator's Message

I am very happy that our Business Administration is bringing 14th issue of 'Nirvana' as a forerunner of department activities. It is a technical platform to bring out the hidden talents of students and faculty. The major strength of the department is a team of well qualified and dedicated faculties who are continuously supporting the students for their academic excellence. Now we are almost at the end of the academic year. University exams are going to start from July/August onwards. It is the time for us to work hard for getting good results in exams. Let us work together for the achievement of higher goals. I take this opportunity to congratulate editors for their great effort to make this news letter a reality and huge success. Also, I invite the readers of 'Nirvana' for their contribution and suggestions for the forthcoming issues.

Dr. M. Lakshmipathi Naidu,
Associate Professor and Coordinator

HOD's Message

The Department of Business Administration has recorded consistent improvement in its academic, research and placement performance. It offers a range of innovatively designed programs whose curricula are constantly updated to meet the changing requirement of the industry and to meet the needs of stakeholders. The department is equipped with well qualified, experienced and dedicated faculty team who are involved research continuously. The department has achieved notable university ranks and set as a bench mark in quality education. The department has secured 3 University ranks.

During study at the department, the students are encouraged to get hands-on experience in the corporate world through internship projects with reputed organizations. We also encourage students to organize events such as Enigma (Inter-collegiate Management fest), participate in management events organized by other colleges and also get involved in activities of the Management Club "Elixir".

As a Head of Department, I provide academic leadership to maintain academic standards. Our student centric teaching and learning methodology helps students face challenges of life, holistic approach of our department encourages students to indulge in curricular, co- curricular and extra-curricular activities to shape them as future leaders.

With this brief introduction, I welcome you to be a part of our journey of excellence in education, training, and research in the department of Business Administration of this college

Ms. Savitha B H
HOD
