

Student Leadership Development Programme

The Student Leadership Development Programme, organised by the Internal Quality Assurance Cell (IQAC) and Vivekananda Study Center, M. S. Ramaiah College of Arts, Science and Commerce, Bengaluru, was conducted on 3rd and 4th September 2026. The two-day programme focused on developing self-awareness, communication, collaboration, confidence, ethical leadership, initiative, service and social responsibility among students.

On Day 1, Dr Dinesh Jain spoke on purposeful leadership and self-awareness, while Ms Divya Purnaiya conducted activity-based sessions on communication, collaboration and leadership. Students explored the importance of integrity, empathy, teamwork, inclusivity and effective communication.

On Day 2, Dr Mahesh Arvind inspired students through his session “Believe and Achieve,” focusing on self-belief, goal setting, discipline and resilience. Mr Sathish B. S. discussed “From Student Leader to Changemaker,” encouraging students to practise ethical leadership, take initiative, identify real-world challenges and develop practical solutions through service and innovation.

Overall, the programme provided students with valuable insights into personal growth, responsible leadership and meaningful action, inspiring them to become confident, compassionate and socially responsible leaders.
